77 W. Jackson Blvd.  
Chicago, IL 60604

Dear Mr. Ballard:

Per our conversation yesterday, I spoke to Tracy Shelley, ODH, about the directions of the apartment complex and playground in the health consultation for the Master Metals Site. The Valley View apartment complex is located **northeast** of the site and the playground is to the **northwest**. These corrections will be made on the original health consultation. The map does in fact indicate that it is a playground that is located northwest of the site. The map does not indicate there is a "ballfield" west of the site. If there is some discrepancy, this matter should be further investigated. If you have any questions, please call me at (312) 886-0840 or Tracy at (614) 466-5972. Thank you.

Sincerely,

Manna Muroya  
ATSDR
